Dear Parent/Carer

### **Food Technology Lessons: Appropriate Academy Uniform**

At Longsands Academy, uniform plays a vital role in contributing to the ethos of our learning environment and setting the appropriate tone.

It is important that students wear uniform with pride and look well presented at all times. Fashion garments are not appropriate for the Academy. **In particular, students with false or painted nails will not be allowed to cook during Food Technology lessons.**

If you have any questions in relation to this matter, please do not hesitate to contact me through the school or via email.

I appreciate your support.

Yours sincerely

Mrs A Kite  
**Head of Food Technology**
