Dear Parent/Carer

I write to inform you that the Year 10 Geography mock exam will be held on Friday, 19 May, at 11:20 am. Year 10 Geography students currently study AQA Geography with the following topics examined:

- Paper 1: Physical Geography Paper 1 hour 30m (35%)
- Paper 2: Human Geography Paper 1 hour 30m (35%)
- Paper 3: Skills Paper 1 hour 15m (30%)

The Year 10 mock exam will cover both a section from the Physical and Human Geography papers. The exam will be 1 hour. Students should spend 30 minutes on the physical question which will focus on coasts and 30 minutes on the human question which will focus on the topic, Urban World.

Students are currently studying the unit on Coasts in their lessons and have recently finished Urban World. Teachers will be going through their Urban World assessments. Students should use this feedback to support their mock preparation.

Students will also be issued with some revision materials to assist in their revision. They will be given an extract from the AQA revision guide to support their revision of Coasts and Urban World and some model answers for the extended 9 mark questions. Below are links that may be useful for further revision

Please feel free to contact me at the Academy should you have any questions about the revision preparations for the Geography GCSE Mock.

Many thanks in anticipation of your support.

Yours sincerely
