Dear Parent/Carer

We have been very impressed with the purposeful manner in which students have returned after the summer break. Classroom teachers have reported that the students have been engaged in their learning and the vast majority of students look smart in their Academy uniform.

We have, however, been concerned with a small number of students who have returned with facial piercings. Please can I remind you of the Academy uniform rules regarding jewellery:

Students may wear a wrist-watch, one earring (a small stud or sleeper) per ear, in the traditional lobe position only and one small plain ring. No other jewellery or body piercing is acceptable.

Any student with piercing that doesn't comply with these uniform rules by Monday will be placed in isolation.

Please can I thank those parents/carers who have already supported the Academy with this matter.

If you have any questions regarding the above, please do contact me at the Academy.

Yours sincerely
